Rome
from 28 of march to 28 of May
Palazzo delle Esposizioni

After the success of last season, continued collaboration between the Expositions Palace and the Accademia Filarmonica Romana: this year is the Quartetto Bernini, one of the best Italian chamber complex, to bring great music in the Auditorium of the Palace, with third cycle of concerts at the end of the trip in the quartets of Mozart.

"They are the result of a long and laborious effort" writes the great composer he finally decides to publish his first string quartet. Had waited - even him - to be sure of the outcome. He knew that here was not admitted mistakes, disappoint. And the dedication and Franz Joseph Haydn, why watch "on these children as my father and friend."
The string quartet is the place where, as Luciano Berio wrote, "the ship of music AQuartetto Bernini and the Accademia Filarmonica Romana conclude in 2010 the project execution full Mozart quartets. In the three concerts will be matched first to the last, with a choice that highlights the progress made by Mozart. In succession will listen how to enter the creative workshop of the composer, following the emergence of his irrepressible personality, the conquest of the most high.
