ROME ARA PACIS "Gems of Impressionism"

From 23 October 2013 till 23 February 2014

The exhibition is an idea of Rome Capital and the National Gallery of Art in Washington.

At the Ara Pacis Museum in Rome there will be 68 known artists: Cezanne, Gauguin,

Van Gogh, Renoir, Manet, Monet, Degas, Boudin, etc etc

All the authors show that innovation in color, in brush strokes and composition

that has made the French painting of the late nineteenth century one of the happiest moments of art history.
